*Congratulations to our niece & God
baby Amour. Smile big and shine
bright beautiful. You've always
been a star and it's been such a joy
watching you shine.*

*Love your best friend & God
Brother Jace, Tierra, Te-Te
Koya & God father Ro!*

I would like to Thank You for attending our Spring Dance Recital as we continue to Celebrate 11 years of Excellence in Dance. Although this was not an easy road it has been a joy watching my students grow over the years.

The vision I once had 11 years ago has turned into something greater and even bigger than I could have ever imagined. I am truly grateful for all of your dedication, commitment and loyalty and thank you for making XLD part of your child's dance experience.

My experience as a Studio Owner and Dance Company Director has taught me to "Trust the Process". Pursuing what you love as a career brings ultimate joy and sometimes pain that most of the time is out of your control. But stepping out on faith has taught me it is not always about how you Start, Win or Finish a race, but how you Run the race.

I have been so excited over the years to give dancers a platform to grow and showcase their talents. Over the years our dancers have performed on Lifetimes hit TV show "Bring It", Halftime Entertainment for the Houston Rockets, Opening Act for the Houston Sports Awards, earned numerous Judges Choice Awards and National Titles and our work is far from being done.

Thank You for the investment of your most precious gift to Xtreme Level Dance, we do not take it lightly. In fact, it is the responsibility that we hold with the highest regard. I look forward to many years to come.

LaTrecia Mallet

Xtreme Level Dance | Studio Owner & Company Director

To My Mom

They say "God couldn't be everywhere, so they gave us mothers". The role of a mother in shaping our lives cannot be understated. There is no denying that everything I am today is because of the love you have given to not only me but to everyone around me and all that you have sacrificed for me for the past 38 years.

I am extremely grateful to have you as my mom and along for the ride in my dance journey but most importantly I am happy my studio family's and students get the opportunity to have someone like you in their lives. .

Thank you for showing me what being a mother is all about. I hope I will be half as good to my kids as you have been to me. You are the best and I cherish you the most.

Love Tü-Tü

CURTAIN CALL

Samaya Holmes

Hi! My name is Samaya Holmes and I am your 2022-2023 Miss XLD. I am a 14 year old sophomore musical theatre major at Kinder High School for Performing and Visual Arts! (HSPVA)

I started dancing at Xtreme Level Dance at the age of 5 years old. I attended MacGregor Elementary (K-5) where I learned to read music, play the piano, and that is also where I was introduced to theatre and musicals. In kindergarten I also started attending the Young Performers Program (5-10 years old) at the Ensemble Theatre. In 2015-2016 I was asked to audition for my first main stage production and casted (at the age of 7) for the First Noel where I had the opportunity to play "The Spirit Noel". For middle school I attended Meyerland Visual and Performing Arts Middle School. During my time at Meyerland I studied musical theatre, dance, and vocal music.

Now, I am a musical theatre major at Kinder HSPVA, and I get to do what I love everyday! I feel extremely lucky that I am in such an amazing space with many amazing young talented artists!

At a young age, I was taught what dedication and hard work really meant. I am grateful for the many opportunities I have had thus far and looking forward to what my future holds. I will continue to press toward the mark and make "XLD PROUD". I have grown in many ways here and I know I will only continue to blossom into the person I am becoming. I am FOCUSED, I am MOTIVATED, and most importantly DEDICATED to my craft.

I am extremely grateful to say that I am your 2022-2023 Miss XLD.

Love yours truly,
Samaya Lynne Holmes

Miss Xtreme Level Dance

Brianna Rodriguez

Hello XLD family,
This is Brianna Rodriguez your 2023 Teen Miss XLD. I am grateful and honored for this opportunity Xtreme Level Dance & Fitness Studio has given me. I have been with the studio since 2018, the hard work and challenges I have faced have been life changing to me. Being a dancer has brought me many friends whom I call my dance sisters. Dancing has taught me how to express my emotions through movement, how to focus, and be myself. If I was to give another dancer advice, I would tell them to work hard, practice, stay focused, be yourself, and just have fun! One of my dreams in life is to be a backup dancer for a big artist but my main goal is to make my parents and family proud.

I would like to thank my parents, my grandparents, aunt, family, and friends for always supporting me. If it wasn't for their big support, I would not be here right now. Thank you to all my teachers, dance sisters, and dance moms for the support you guys give me! Ms. Trecia, thank you for always pushing me!

With love,
Brianna Rodriguez

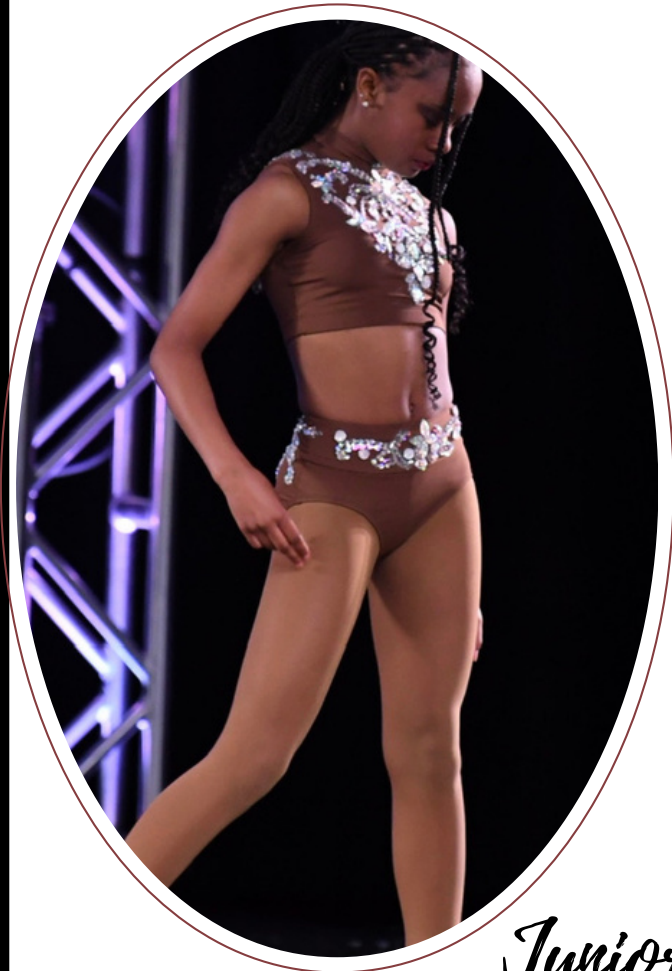

Teen Miss Xtreme Level Dance

London Hood

London Hood was born in Houston, TX on February 2, 2011 and has been dancing since the age of 3. She has been a member of the Xtreme Level Dance and Fitness Studio since 2017. Since joining Xtreme Level Dance, London has had the opportunity to compete on the regional and national level as a member of the team and as a soloist.

London is in the 6th Grade at Meyerland Performing & Visual Arts Middle School, where she is in the Dance Program under the direction of Mr. Chadwick Peters. London loves to dance of course, eat, and spend time with her friends.

Junior Miss Xtreme Level Dance

Chloe Kirven

Dear XLD Family and Friends,

I am Chloe Kirven your 2022 Little Miss XLD. I am 8 years old and will be in the 3rd grade at Massey Ranch Elementary this coming year. First, it is such an honor to be crowned with this distinguished title to represent my dance studio and to show my leadership skills. I have had the pleasure of dancing for Xtreme Level Dance Studio for two years. With everyone knowing me as the quiet little girl in the studio, XLD has allowed me to highlight my talent on stage as a dancer and support me. The studio has allowed me to bring out my personality and shine like a diamond because once I hit the stage, I am a different girl. Secondly, my parents are always there for me, pushing me to be my best, but also telling me to have fun with it as well. As for the students who will be joining the team in the future, just remember that dancing with your feet is one thing, but dancing with your heart is another. To my fellow team members, I want you all to always be strong, courageous, and beautiful and that the best preparation for tomorrow is doing your best today. As I watch all my teammates grow stronger as dancers, I cannot be prouder. In addition, I want to thank my Choreographers, Mr. Herman, and Ms. Trecia, who has helped me grow and encouraged me of who I have become as a dancer. Therefore, dancing is what has helped me become fearless and once I knew it was my art and dream to dance, life has become limitless to me, because I know I can do anything when I put my mind to it. Which I leave you with my favorite quote by, Ellen van Dam, "Why walk when you can dance?"

Yours Truly,
Chloe "Chlo Chlo" Kirven

Little Miss Xtreme Level Dance

It is our light, not our darkness that most frightens us. We ask ourselves, 'Who am I to be brilliant, gorgeous, talented, fabulous?' Actually, who are you not to be? - Marianne Williamson

I'm honored and proud to witness EACH and Everyone of you beautiful young artists grow and blossom. Thank you for allowing me to help guide you in your journeys.

Seeing how dance has touched each and every one of you is nothing short of amazing. I know how much of a pain it can be, but the way you guys keep pushing everyday is so great! I'm so glad I've had the opportunity to watch some of you grow from the little girls bouncing around the studio on Alameda to where you are now, and also the opportunity to meet new, shining faces. You guys keep the fire under me and I thank all of you for that. Keep going, keep pushing, and most definitely keep it up. I'll always be the loudest one in the crowd for you guys! Y'all know I love y'all! I can't wait for next year.

With All the Love in the World,
Ms. Iona aka Big Sis

You all have grown so much this semester & this has been one of the best semesters so far! I want you to know that I am extremely proud of you all! I am so proud of how confident you all have become in your gymnastics skills. Thank you for all of your hard work and trusting me to help you grow. I know you will light the stage on fire tonight and shine brighter than you ever have before.

I love you girls very much, show out tonight.

Absolutely proud of these girls this season! It's been a pleasure to be able to officially hop on as faculty this season and we have grown so much together in this last year! Thank you ladies for fighting for details with me, sweating through full out combos and having a blast on Tuesday nights! Tuesday night is a PARTY!!!!!! Thanks for all your hard work and commitment! NYJHA JAMES

Nyjha decided that she wanted to dance at 6 yrs old. She was enrolled in recreational dance classes, fell in love and has been dancing ever since. She has always been creative, passionate, driven, and a very hard worker. She holds many roles as a high school student, cosmetology student, a member of XLD company, and she works with children at the Gathering Outreach after school program and summer camp. She will be attending Prairie view A&M University in the fall where she will be majoring in Business management and Entrepreneurship. She will also be continuing her dance journey with the Classic Dance Ensemble at PVAMU.

We are so Proud of you Nyjha

Senior Dancers 2023

YOSELYN OWOLABI

Yoselyn Rebekah Owolabi started her dance journey at 3 years old. She was a quick study and picked up on choreography naturally. Yoselyn joined the award-winning XLD team in 2021 and her love for dance grew deeper. Her passion for dance is only matched for passion for academics.

Yoselyn managed to balance learning dance routines for competition, creating choreography to teach younger dancers while graduating valedictorian of her senior high school class and summa cum laude of her two year college prep program. She will continue to dance and concentrate on her studies as she attends Howard University this fall majoring in political science. Even though her journey with XLD just started, it will stay in her heart forever as it's coming to an end.
