XTREME LEVEL DANCE & FITNESS, LLC. is one of Houston's premiere Dance & Fitness Studios; offering classes for kids, teens and adults. XLD's mission is to develop diversely trained dancers in a safe, structured and positive environment while building self-confidence and a passion for dance.

Whether the goal is to become a professional dancer or maintain a healthy lifestyle, XLD fosters an environment that will encourage and inspire dancers and fitness enthusiast alike to reach their full potential.

Our organization is based on the principles of dedication, achievement, confidence, self-discipline and teamwork. XLD student dancers exhibit qualities and characteristics that extend beyond dance.

We have been featured on the hit Lifetime TV Show, “BRING IT”, won 20+ National Titles, featured performers for Houston’s Urban Nutcracker, received numerous individual and group awards at competitions including Most Entertaining, Best Costume, Judges Choice, High Point Champion and recently nominated for one of the most prestigious dance accolades of the year “The Industry Dance Awards”.

Our studio is entering its 12th Season as Halftime Entertainment to thousands of fans for the Houston Rockets organization, and have performed at the 2022 Houston Sports Awards, HEB Thanksgiving Parade, Great Day Houston, Pearland Christmas Parade, Friendswood Christmas Parade, Houston Livestock and Rodeo and Halftime Entertainment for Super Bowl LI Celebrity Basketball Game hosted by the PACE Moms Foundation founded by Karen Johnson, mother of Andre’ Johnson.

Many of our dancers are members of Company Teams, members of their school dance teams, theatre & vocal clubs and attend the Ensemble Theater and TUTS throughout the year, landing leading roles in Summer Productions as well as being casted for the main stage.

Our student dancers have a great time giving everything they have in and out of the dance studio. In return, XLD helps build the skills that will inevitably serve them well moving forward in life. Sportsmanship, communication skills, teamwork, accountability, responsibility, discipline and respect are all byproducts of participation at the studio.

Our student dancers work hard on and off the dance floor by maintaining “A” to “A-B” honor roll in academics, recognized for their citizenship, as well as being prominent contributors to society by building up their community.

Our Dancers have volunteered with Team-up 2 Clean-up & Beautification of Third Ward, the Houston Food Bank, Hurricane Harvey relief, donated clothes to families in need and have also hosted Free Dance Clinics throughout the year to community members without a dance studio home.

XLD also donated 187 bags to Be a Resource for children foster care and adopted a family of 4 during the holiday season. The single mother expressed that her only wish was for her 3 children to HAVE A MERRY CHRISTMAS. Nevertheless, in true giving form, our girls raised over \$500.00. They presented the kids with everything on their wish list and extended a helping hand to the mother as well. They even made the youngest daughter an Honorary XLD Team Dancer.
