

Hello Parents,

I would like to invite your dancer to join our **Rookie Competitive Company**. This is a training program for dancers (ages 5-14) who are new to dance or to the competitive dance scene. These students have very little competitive dance training or less than two years of competitive dance experience. Your child has shown growth with our studio not only in dance performance but overall maturity in class and we would like to take their dance training to the next level. Company members must train in Ballet weekly along with their Company rehearsal. They will perform a Jazz and Hip Hop number for the upcoming competition season. Weekly Hip Hop class is highly recommended. Tap/Jazz Combo is a great addition for additional technique and convention training but not mandatory.
