

Hello Parents,

We have made a great start to all choreography for the 2022-2023 season. The goal is to have all choreography completed by Winter break.

I have updated the company rehearsal schedule link posted above the list of numbers on the company portal. They are listed by day to help everyone organize your calendars from now-December.

**Reminder: 50% of choreography fees are due when choreography has started** and the balance is due once complete. All choreography fees are on your DSP-Portal. If you are in a number where choreography is completed, those fees are due.

**All choreography fees must be paid by December 1, 2022**

If you would like to schedule any solo privates you may book those directly with the choreographer or Ms. Trecia. It is mandatory to confirm your sessions with Ms. Trecia to have the session put on the calendar. Solo private fees are paid directly to the choreographer and studio fee of \$5/session to be paid to the front desk.
